Biomeasurement by Hawkins, Dawn - Biblio.com

Traditionally, the teacher is an all-knowing fountain of wisdom spouting facts that students are expected to soak up. During more than three decades in education, however, I've come to believe that the proper role of the teacher is to be a learning guide, an educational facilitator, and a broker of learning opportunities.

The Teacher as a Guide: Letting Students Navigate Their ...

Ethics A student's guide to Jean-Paul Sartre's Existentialism and Humanism Nigel Warburton gives a brief introduction to this classic text.. Existentialism and Humanism is probably the most widely read of all Sartre's philosophical writings, and it is certainly one of his more accessible pieces; yet surprisingly little has been written about it. One explanation for this may be that ...
