**SAP File Extension - What is a .sap file and how do I open it?**

## Download File PDF Ca210 Sap Manual File Type

The easiest way to change a file's extension is to save the file as a different file type from within a software program. Changing the file extension in the file name won't change the file type, but will cause the computer to misidentify the file. In Windows and Mac OS X, file extensions are often hidden.
