A House Called Awful End is a great book, following the style of the great Lemony Snicket and Pseudonymous Bosch. With characters as bizarre as those in Middle-Earth and humor in the style of Jeff Kinney, this is a must-read for all Snicket and Bosch fans. I did not read it on an Amazon device, but I downloaded it on Amazon. It was worth it.

**A House Called Awful End by Philip Ardagh: Summary and reviews**

Endlessly inspired and random, the tale of poor befuddled Eddie's journey from his home to Awful End is full of bizarre, hilarious goings-on. True, it's only 130ish pages long, and I read it in one sitting - but it's the kind of explosion of wit that demands re-reading.

Unfortunately for Eddie, those relatives are Mad Uncle Jack and Even-Madder Aunt Maud, and it doesn't look as if the three of them are ever going to reach their destination ... DREADFUL ACTS Eddie Dickens narrowly avoids an explosion, a hot-air balloon and arrest, only to find himself falling head-over heels for a girl with a face like a camel's, and into the hands of a murderous gang of escaped convicts who have 'one little job for him to do'. TERRIBLE TIMES Eddie had been given the task of travelling to America to look after his family's interests there. But his life is never that simple; especially with a potential stowaway in his trunk, and Lady Constance Bustle at his side. She's a professional 'travelling companion', whose previous employers seem to have died under the most remarkable and unfortunate circumstances ...

Zomorod (Cindy) Yousefzadeh is the new kid on the block . . . for the fourth time. California's Newport Beach is her family's latest perch, and she's determined to shuck her brainy loner persona and start afresh with a new Brady Bunch name—Cindy. It's the late 1970s, and fitting in becomes more difficult as Iran makes U.S. headlines with protests, revolution, and finally the taking of American hostages. Even mood rings and puka shell necklaces can't distract Cindy from the anti-Iran sentiments that creep way too close to home. A poignant yet lighthearted middle grade debut from the author of the best-selling Funny in Farsi.

"[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." —Joe Garden, Features Editor, The Onion "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep "That rarest of things—a genuinely scary story." —David Wellington, author of Monster Island, Vampire Zero "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read." —Jacob Kier, Publisher, Permuted Press STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

New York Times bestselling author John Grisham takes you to a different kind of court in his first basketball novel. Samuel “Sooley” Sooleymon is a raw, young talent with big hoop dreams...and even bigger challenges off the court. In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever beehen on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it's just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn't immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he's dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham’s unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game.

When eleven-year-old Eddie Dickens's sickly parents become "a bit crinkly round the edges," he is taken in by his great-uncle and great-aunt, Mad Uncle Jack and Mad Aunt Maude, and embarks on adventures that involve strolling actors, St. Horrid's Home for Grateful Orphans, and a carnival float shaped like a giant cow.
