Buying into the lie of "I can only be happy if..." guarantees a frustrated existence. But God desires something far better for his daughters. This convenient On-the-Go Devotional will direct you away from empty distractions and toward what you really long for: a satisfaction that never fades.

This On-the-Go Devotional assures women that contentment is not some fleeting ideal but a reality that God enables them to live out daily. Any woman who buys into the lie of "You can have it all" or who thinks she can only be happy "if..." experiences an abiding frustration: what she wants remains just out of reach, always. No matter how good she has it, no matter how good the good times may get, there's always something missing. And ultimately, she misses out on happiness too. But God desires something far better and more lasting for his daughters. And he's delivered the secret in his Word,

assuring women that real satisfaction is found in living for and longing for the right things. Those truths and promises are at the heart of this On-the-Go Devotional for women. Each lesson in Contentment is conveniently self-contained and comes complete with Scripture and a paragraph or two of teaching to direct women away from fleeting distractions and toward a true, enduring satisfaction. On-the-Go Devotionals "Skillful devotionals for those who face the challenge to 'fit it all in.' Biblically rigorous and deeply perceptive. Godly insights from a godly sister." Elyse Fitzpatrick, author of Because He Loves Me: How Christ Transforms Our Daily Life "A ready resource for keeping our thinking focused on God himself. The devotionals helped me understand my fear or discontent and our Heavenly Father's provision." Barbara Hughes, author of Disciplines of a Godly Woman and, with her husband, Disciplines of a Godly Family "Lydia Brownback calls Christian women to lift their eyes upward and find security, rest, and peace in a sovereign God whose promises never fail!" Nancy Leigh DeMoss, author and Revive Our Hearts radio host

The Christian community often thinks of purity only as it relates to issues of sexuality, but the term encompasses much more than that. We need to look closely at all it means to be pure as God intended. So what does purity mean? As modern women, how can we follow Paul's command in Colossians to "put to death" impurity? How does purity adorn a godly woman? Lydia Brownback looks to Scripture to answer these questions as she engages an issue faced by all women. The newest in a series of compact devotional books for women, Purity guides us to understand that our hearts are purified as we lean on the purity of Christ and his perfect work for us. These devotionals are a daily reminder to women that putting Christ first takes care of everything else.

An easy-to-carry "pocket book" that steers women away from the world's weak remedies for anxiety and fear and points them to their security in Christ. While fear-provoking headlines fill our days, and struggles with anxiety are a fact in a fallen world, Scripture says fear does not need to be a fact of life for Christians. This little carry-along "pocket book" for women focuses on the Bible's great truths about what lies beneath their fears and the means to overcome them—for those who worry just a little, those who suffer a gnawing, controlling fear or actual panic attacks, and every woman in between. The first in a series of small, Bible-centered volumes for women, each of which covers a particular struggle, Trust is full of biblical truths and promises that will reassure readers that if they belong to Christ, they have absolutely nothing to fear. On-the-Go Devotionals easily tuck into a purse or gym bag and make great gifts. Each lesson is self-contained, with Scripture and a paragraph or two of teaching that will steer women away from worldly coping techniques, away from themselves and their circumstances, and onto God and their security in Christ.

Advice books are no short-lived trend. They continue to top bestseller lists even though much of the "wisdom" being offered proves shallow in the long run. People are looking for practical, proven advice for life and the book of Proverbs is the wisest place to start. Unpacking the book of Proverbs, Lydia Brownback shows how the Bible speaks to real life issues such as money, purity, marriage, and the day-to-day grind. Writing with a familiar yet knowledgeable tone, Brownback draws in the busiest of readers and asks realistic questions for personal reflection or group study. This well-conceived, twelve chapter book contains three parts: What Is Wisdom and Why Does It Matter? Six Things Wise Women Know A Portrait of Wisdom A Woman's Wisdom gives women—a way to be wise, to know the very Author of wisdom, and to understand how to apply his relevant, riches.

God's Word tells us of all that is ours through his Son. Our security is guaranteed, our provision is sure. In the face of such abundant life, why is our joy so often stolen from us? Undoubtedly we pass through seasons of difficulty, sorrow, and uncertainty. But real joy isn't conditional on circumstances, is it? How are we to pursue joy in seasons of both plenty and need? This newest addition to a series of small devotional books for women teaches that we will only find perpetual joy when we pursue Christ. Brownback helps women understand that their joy is not circumstantial, but built on the promises of God and the work of Jesus. Forty-two short devotionals look to Scripture for words of encouragement, correction, wisdom, and guidance to help women adorn themselves with joy.

What Keeps Us from Flourishing? We all long to live out our faith with daily joy, but so often that joy eludes us. Why is that? More often than we realize, it's because we've absorbed messages that curve us in on ourselves. These messages have even crept into the church, disguised as truth. It's time we learn to discern teaching that's toxic from that which is true and pure. Flourish equips us with tools to identify the lies that come at us about where to find real life. As we dig deep into what God says in his Word, we will learn to discern the worldly influences that threaten to warp our understanding of what it really means to be a Christian, and emerge with a faith that flourishes—full of the abundant life Jesus promises.

Young or old, single or married, male or female—at some point in life, we're all confronted with loneliness. We try to fill the void or change our circumstances so we no longer feel the pain. But what if our pangs of loneliness are meant to point us to something greater? Looking at various aspects of loneliness, Lydia Brownback reminds us of God's power to redeem our loneliness and use it in our lives to draw us to himself. Ultimately, she helps us see that even when we feel misunderstood, forsaken, or abandoned, we're never really alone. God is always with us, and only he can meet all of our needs in Christ Jesus.

'I have learned to be content in whatever [state] I am'' (Phil. 4:11) Anyone who lacks true contentment may find it in this book. If not, it will be because that one would not follow the very clear and simple instructions given. The teaching is from the Bible, yet it must be described as unique. Nowhere else will you find such unusual, but Biblically authenticated thoughts: He will teach you that contentment lies in subtraction, not in addition; that the ABC's of Christianity are nothing like what you thought them to be; that there is a mystery of contentment, but that once you have learned the way from Christ's word, you will be able to attain such a depth of contentment as you never before dreamed existed. This is a key book for building up Christian maturity. Christian Contentment, what is it? ''It is a sweet, inward heart thing. It is a work of the Spirit indoors. It is a box of precious ointment, very comforting and useful for troubled hearts in times of troubled conditions.
