The video for "Love You Anyway" starts with Ronan Keating strolling past a taxi while wearing sunglasses and a suit. Stephen Gately then walks down the same road following two ladies dressed in black. Three more ladies come into view and start dancing behind Ronan and others dance further down the street.

~~Love You Anyway Wikipedia~~

Oh, this much in love with you. So break my faith, forget my name. Either way it's all the same. You're my first word, my last breath. My will to live when nothing's left. Tear this heart right out of me. Lock it up then lose the key. Curse my name when you kneel to pray. I'm gonna love you anyway.

The author of the beloved Kipper series teams up with his daughter to tell the heartwarming story of a sweat-band-wearing pug who just can't seem to do the right thing. Dog is very badly behaved—he destroys everything, chases cars, rolls in poo, and won't stop running away! But when he finds himself lost and alone there is one person he knows he can always count on. Chloë Inkpen's sweet illustrations bring warmth and humor to this delightful story of family and unconditional love.

Blessed with beauty and brains, television writer Tracy McMillan was not only able to parlay her talents into a killer Hollywood career but also able to attract a rather eclectic assortment of men as well. Unfortunately, the "right" kind of men felt wrong all too often, while the "wrong" ones felt so, so right. The result was three failed marriages and countless catastrophic romances, all by the age of forty. Despite Tracy's successful ascension into the privileged world of pool houses, premieres, and big-time producer deals, she just couldn't break her pattern of questionable choices in matters of the heart. That is, until she finally figured out her relationship with the first man she ever loved: her father, a wildly flamboyant pimp, drug dealer, and convicted felon who spent most of his daughter's life behind bars . . . and until she set about raising the son who taught her everything else she needed to know about men, love, and life. I Love You and I'm Leaving You Anyway is the comic, tragic, unflinchingly real, and ultimately victorious true story of how one woman learned to love herself no matter what. It is an inspiring testament to the power of change that proves we can all grow from even our most flawed relationships.

Eve and Mimi Burke, sisters and co-owners of a mail-and-parcel center, struggle to keep their business and their personal relationship afloat in the face of competition from a fast-growing chain, troublesome men, and each other

The Awesome Women series: Leaders: Boldness box set features three board books to inspire young readers to be anything they want to be. Each story pays tribute to an awesome female role model by recounting her struggles and challenges, and detailing her success. Young readers will also learn interesting nuggets about each leader, such as the fact that Angela Merkel was once asked to be an informant for the East German State, that Halimah Yacob was almost expelled from school when she was young, and that Hillary Clinton aspired to be a NASA astronaut and a US marine, but was rejected by both institutions because she was female .The Awesome Women series also includes the Awesome Women series: Leaders: Authenticity box set, featuring Condoleezza Rice, Jacinda Ardern and Margaret Thatcher. Readers will also have fun searching for the authors and illustrator's daughters Andrea and Beth hidden in the illustrations! "I have no doubt that the series will inspire young girls and boys to tap into their grit and determination even when faced with challenging situations in life." -Her Excellency Halimah Yacob, President of Singapore

For all who are displaced. For all who are weary of the way things are. For all who long for a more beautiful world. Preemptive Love founder Jeremy Courtney has seen the very worst of war. He's risked his life saving lives on the front lines. He's come face to face with ISIS, been targeted by death threats, and narrowly escaped airstrikes. Through it all, the most powerful thing he's learned is this: we're not just at war with each other. We're at war with ourselves. But the way things are is not the way they have to be. There is a more beautiful world. To find it, we have to we confront our fear--and end war where it starts: in our own heads and hearts. With stories of people who have lived through war and terrorism, Love Anyway will inspire you to confront your deepest fears and respond to our scary world with the kind of love that seems a little crazy. Because when we do, we become agents of hope who unmake violence and unfurl the more beautiful world our hearts know is possible. Love Anyway is the story of Jeremy's incredible journey--and an invitation to discover the more beautiful world on the front lines where you live.

If every Christian knew who they were as a child of God, if they knew their identity in Christ and how valuable they are just because they are His, and if all this went beyond head knowledge and into heart knowledge, just imagine the power in that understanding. Broken relationships could be mended, and families could work out their differences. Individuals held captive by their insecurities would experience freedom in their lives. I'll Love You Anyway, by author Lori Davis, seeks to help Christians experience the freedom of forgiving and letting go of the past. You can break down the walls of protection and be free to give and receive love the way God intended. You can learn to extend unconditional grace and love to others. Davis explains how to recognize that the people who hurt us may have also been hurt in life and that they too may be living with walls of protection around their hearts. If we can integrate the truth of who God says we are within our daily lives, we can come to experience a deeper relationship with the Lord. "Lori writes this book from the inside looking out. She lived this book and has a vantage point few are ever willing to talk about. Walk in her steps as you read and learn how to overcome anger, pain, and disappointment." -Pastor John Hunn, Immanuel Baptist Church

Love breaks through defenses and destroys walls that divide us. Love demands more of you and me than we often want to give. It's easy to love a lovely person, but what about...them? What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don't behave like you, don't believe like you, and if you are honest...make you uncomfortable? What is love in this context? We read that Jesus broke boundaries to love the people that many detested. His love was transformative because His love saw past disagreement, indifference, and offense. Loving them? Like this? That's hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and anger abound. Today, many people see Christians as angry followers of God who are more interested in winning political arguments than loving people. If we say we follow Jesus but are not loving like Him, then what's the point? There is a better way. Using the incredible story of how Pastor Choco chose to "love them anyway" to transform the crime-ridden community of Humboldt Park in Chicago, Love Them Anyway will inspire you to love in a way you never have. This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level. It will tap into your deepest desires, expose your hesitations, connect you deeper with God's love, and help you take bold steps to love the people around you--and your love will change lives. When you learn to Love Them Anyway, your passion will be redirected, your purpose will be refined, and you will see God use you in ways you could never have imagined. Love is hard. It's not convenient, and it's not always safe. But love is beautiful. Love is contagious. It breaks through defenses and destroys walls that divide us. Love is the answer. So, love them anyway. Redirect your passion, refine your purpose, and see God use you in ways you never imagined.

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius--his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy--this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

A mother reassures her child that, no matter what the child may change into--be it rhinoceros, camel, ringtail raccoon, or giraffe--the mother will recognize the child anywhere.

? Good Day or Bad Day - I Love You Anyway! ? The poor little thing, woke up very upset, thinking: "how much worse can it get?" But mom was in a hurry, and made it clear: "We have to go now, there's no time, my dear." That morning, mom had to say everything twice: "Please brush your teeth and wear something nice. Where are your shoes, you're not ready at all...? Why did you pour so much milk in that bowl?"
