Offers maintenance, service, and repair information for Ford vehicles made between 2001 and 2005, from drive train to chassis and related components.

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

In Strategic Management: Theory and Practice, Fourth Edition, John A. Parnell leads readers through detailed, accessible coverage of the strategic management field. Concise and easy to understand chapters address concepts sequentially, from external and internal analysis to strategy formulation, strategy execution, and strategic control. Rather than relegating case analysis to a chapter at the end of the book, Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest real-time cases, largely drawn from The Wall Street Journal and Financial Times, illustrate the key role of strategic management in the United States and around the world.

Branded Entertainment explains how product placement, a long-time phenomenon in films, has gone beyond this to now embrace all media. Citing examples from film to music video, to computer games, the author explains the: history and development of product placement; advantages of this form of brand advertising; and methods employed by different brands Most importantly, Branded Entertainment discusses the future possibilities for using this form of promotion to recreate an emotional connection with customers and exploiting the opportunities afforded by advances in technology to spread the message across multimedia channels.
