that went on for 20 years through permanent retouching. The portrait accompanied Leonard during all his traveling and through different homes. This dramatic fiction recreates the relationship of Leonardo with the Gioconda, with his assistants Salai and with the world and his relentless searching of truth and beauty. The painting keeps captivating Humanity after many centuries and keeps posing the same questions Da Vinci posed to himself: Why is the Gioconda laughing? What mystery is hiding Mona Lisa? Why the smile is the portal to the soul? What is the nature of the divine feminine? The mysteries of La Gioconda synthetizes the mysteries of life and womanhood.
