And you could not hope for a better, more qualified teacher. McWade shows readers how to arrange and present information using today's powerful graphics tools. Readers will learn how to design single-page and multi-page documents, brochures, and ads; why one typeface works better than another; and much more. Best of all, they'll discover how to think visually transforming the images in their heads into something that communicates effectively on the page.

Written with wit, humour and candour, Regrets, None is a rare memoir that is unafraid to bare it all. It follows veteran theatre personality Dolly Thakore's life and career -- growing up in Delhi and an assortment of Air Force stations, getting her start in theatre in college, her time in London, involvement with

social issues, casting for Gandhi and filming it across India, working in radio, television and advertising while returning always to her first love, theatre. Dolly Thakore brings alive another era -- the glitz, the glamour, the struggles. She speaks candidly about love, sex, infidelity, motherhood, commitment, the ecstasy and the heartbreaks. She emerges as a true-blooded embodiment of what it means to be a strong, empowered, vulnerable, courageous (and sometimes outrageous) woman.
