This book is aimed at the rider who wants to do his or her own basic scooter maintenance and servicing without the need for in-depth mechanical knowledge, or a technical manual. It covers areas such as oil, brakes, tyres, transmission, electrics, etc, allowing the owner to address the most regularly serviced items without forking out for additional costs. Illustrated with full colour photographs throughout, and featuring clear, easy-to-follow instructions, this book is a must-have for scooter users.

Alan Seeley. Following on from the success of *The Motorcycle Book*, this extensively illustrated, all-color book provides comprehensive reference for all scooter owners and enthusiasts. From traditional to sports, through big-wheel and Super, all aspects of buying, riding, maintaining and tuning a scooter are included. There are detailed sections on how a scooter works and how to keep it running, with extensive maintenance and trouble-shooting chapters.

You are indestructible. Three whispered words transfer an astonishing power to Jacob Fielding that changes everything. At first, Jacob is hesitant to use the power, unsure of its implications. But there's something addictive about testing the limits of fear. Then Ophelia James, the beautiful and daring new girl in town, suggests that they use the power to do good, to save others. But with every heroic act, the power grows into the specter of a curse. How to decide who lives and who dies? In this nail-biting novel of mystery and dark intrigue, Jacob must walk the razor thin line between right and wrong, good and evil, and life and death. And time is running out. Because the Grim Reaper doesn't disappear. . . . He catches up.

A hilarious and hopeful primer to prevent, combat, and eliminate the suckage in modern marriage by doing it right in the early years, from one of the minds behind the series *Sex and the City* and the *New York Times* bestselling authors of *He's Just Not That Into You*, *It's Called a Breakup Because It's Broken*, and *It's Just a F***ing Date* Some marriages start out storybook. Perfect proposal, perfect engagement, perfect wedding, perfect honeymoon, and perfect newlywed years. Greg Behrendt and Amiira Ruotola stumbled right out of the wedding gate. Their choices in the early years, they'll tell you, nearly bought their marriage a one-way ticket to Suckville. The *New York Times* bestselling authors explore all the adventures of early wedlock, from the moment one of you gets on one knee to the day when sex starts to feel like work instead of play. In this guidebook, Behrendt and Ruotola explore their own marriage and, with gleeful candor, tremendous warmth, sharp humor, and piercing insight, look at what we who have decided to "settle down" hope to get out of our most lasting relationship. We venture through volumes on the engagement, wedding planning, the Big Day, the wedding hangover, the (blissful?) first year, the hard work of marrying two lives, fights, and sex-pectations versus sex-pectreality. The perfect book for those who have just put a ring on it or are thinking of putting a ring on it, Behrendt and Ruotola's work is a brilliant guide for the first stretch of that wild ride we call marriage.

An updated version of the most acclaimed bike repair guide, *Barnett's Manual* takes the mystery out of every procedure, emphasizing detail, logic, and measurement to make repairs with speed and efficiency and eliminate guesswork. Arranged according to the way mechanics actually need information, the manual functions as both a stand-alone resource and an important training tool for professionals and amateurs. This new edition includes extensive reference information, more than 1,000 illustrations, and worksheets. Each volume features grease-resistant perforated pages that can snap easily into a three-ring binder.
