Burchards Were Caught Up In Adventist Trial In Rhea County

The shooter in a Warner Robins killing has been sentenced to life with the possibility ... by the physical evidence at the scene," District Attorney George Hartwig said in the release.

The first of the three stories, 'The Sad Fortunes of the Reverend Amos Barton,' is the slightest and simplest. Mr. Barton, a curate, with an income of eighty pounds a-year, with an angelic but sickly wife and a host of hungry little children, allows himself to be duped by the title of a 'Countess Czerlaski,' the handsome English widow of a Polish dancing-master. The countess quarrels with her brother, Mr. Bridmain, and throws herself on the hospitality of the Bartons. Her visit lasts beyond all reasonable time, the unfortunate couple are eaten up by the expense of providing for her, Mr. Barton's character is aspersed on account of his kindness to her, and Mrs. Barton dies of working for her. Mr. Barton loses his curacy, goes into another neighbourhood, and, after many years, revisits his wife's grave in company with his children. The next story tells how the Rev. Maynard Gilfil loved Tina Sarti, an Italian orphan, who had been brought to England by Sir Christopher and Lady Cheverel, and lived under their shadow in a dignified country house. Tina, however, had fixed her affections on Sir Christopher's nephew, Captain Wybrow; and when the captain pays court to a beautiful, rich, and lofty heiress, the little Italian girl is so exasperated by his conduct, that she resolves to stab him at an appointed interview. She is happily spared this crime, as, on reaching the place of meeting, she finds the faithless captain dead from a sudden attack of heart-disease ...

George Eliot's fiction debut work contains three stories of the lives of clergymen, with the aim of disclosing the value hidden in the commonplace. "The Sad Fortunes of the Rev. Amos Barton" portrays a character who is hard to like and easy to ridicule. "Mr. Gilfil's Love-Story," brings forth conflicting value systems revolving around a young woman, Caterina, and two men. "Janet's Repentance" is an account of conversion from sinfulness to righteousness achieved through the selfless endeavors of a clergyman.

A marvellous work by Eliot, it comprises of three tales of three clergymen. She has done a brilliant job as she explores different facets of society and various aspects of life like misfortune, rejection of love and repentance of sin. Her stories are remarkable for their insightful and intricate characterization. This book will keep up on the edge of your seat till the very last page.

Features a hypertext version of "Scenes from Clerical Life" by English novelist Mary Ann Evans writing as George Eliot (1819-1880), part of Peter Batke's text archive of the collected works of Eliot. Allows users to search the entire novel and notes that the print edition was originally published in 1857. Posts the book's complete text in sections entitled "The Sad Fortunes of the Reverend Amos Barton," "Mr. Gilfil's Love Story," and "Janet's Repentance."

When Scenes of Clerical Life--Eliot's first work of fiction--first appeared in print anonymously in 1857, critics immediately hailed it for its humorous irony, the truthfulness of its presentation of the lives of ordinary men and women, and its compassionate acceptance of human weakness. Thethree stories that comprise the volume foreshadow Eliot's greatest work, and an acquaintance with them is essential to a full understanding of one of the greatest English novelists.

One of the many astounding works where Eliot deals with Christian values in a provincial setting. She imparts psychological depth to the characters and lends a realistic touch to her works. As the characters fight and survive in the battle of life, the reader is rapt by the style and form of the narrative.

'It would be unfair to expect other people to be as remarkable as oneself' Wilde's celebrated witticisms on the dangers of sincerity, duplicitous biographers, the stupidity of the English - and his own genius. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.
