? FBI profiler Karen Vail is haunted by a serial killer from her rookie days in a "pulse-pounding" thriller by a USA Today bestselling author ( Providence Journal ). New York City: home to world-renowned museums, theater, restaurants, iconic sports franchises. Central Park. Wall Street. And an infamous serial killer who's terrorized the Big Apple for decades.The year is 1995 and the NYPD has just graduated a promising new patrol officer named Karen Vail. The rookie's first day on the job is anything but easy when she finds herself at the crime scene of a woman murdered in an unusual manner. Vail is unsure of what she's looking at or what it means—but it's a case that will weigh on her mind for nearly twenty years. As the years pass, Vail's career takes unexpected twists and turns—as does the case that's come to be known as Hades. Now a skilled FBI profiler, will Vail be in a better position to catch the killer? Or will Hades prove to be Karen Vail's hell on earth? The character who has captivated readers worldwide—and who won the praise of literary giants Michael Connelly, James Patterson, and Nelson DeMille—returns in a story that captures the experiences that shaped the revered profiler and made her the top cop she is today.

**In the USA Today–bestselling author’s “addictive second Karen Vail thriller,” the FBI profiler tracks a serial killer through California wine country (Publishers Weekly).** In this follow-up to the standout bestseller *The 7th Victim*, Karen Vail ventures to Napa Valley, where a serial killer has been crushing his victims’ windpipes and leaving their bodies in caves. But when the Crush Killer learns that an FBI profiler has joined the Major Crimes Task Force, the newfound attention emboldens him, and he sets in motion a plan that wreaks havoc on the town—as well as the task force. Although a sudden break in the case helps Vail zero in on the identity of the killer, she senses that something isn’t right. If she doesn’t figure it out in time, the consequences will be dire. In a rousing climax that leaves readers breathless, and which Publishers Weekly termed a “shockeroo ending,” Vail must pick up the pieces—and clean up the carnage left behind by the Crush Killer. Meticulously researched during years of work with the FBI’s Behavioral Analysis Unit, this high-velocity thriller from national bestselling author Alan Jacobson features the kind of edge-of-your-seat ending that inspired Nelson DeMille to call Jacobson “a hell of a writer.” Crush is the first installment of a two-part story that concludes with *Velocity*, book three in the Karen Vail Series.

**In Hawaii, FBI agent Karen Vail pursues a killer without a profile, in this thriller by the USA Today–bestselling author of *The Darkness of Evil*.** When Det. Adam Russell of the Honolulu PD encounters the body of a woman in her sixties—the second in recent days to inexplicably die of what seem like natural causes—he reaches out to Karen Vail, the renowned FBI profiler, who hops on the next plane. But even for someone as fluent in the language of murder as Vail, this case is hard to read. How were these women asphyliated with no signs of trauma? How can she gather clues or collect evidence when the killer seems to strike during the briefest casual encounters? Is this the behavior of a male or a female perpetrator? And perhaps most terrifying of all, if the deaths appear so natural at first glance, how many victims have already been overlooked? Now, as something cold and dark lurks under the sunny warmth of this island paradise, Vail must stop a serial killer as elusive as the breeze. . . . “Karen Vail is one tough character.” —Kathy Reichs, *New York Times*–bestselling author “Jacobson should be mandatory reading for the James Paterson crowd.” —*Library Journal* “A unique and imaginative plot filled with witty dialogue and page-turning intrigue.” —Catherine Coulter, *New York Times*–bestselling author

**FBI profiler Karen Vail is on the hunt for an escaped serial killer in the latest jaw-dropping thriller from USA Today–bestselling author Alan Jacobson.** Jasmine Marcks was a teenager when she discovered her father was a killer. First, there was the strip of bloody duct tape; then, the bloodstain on his shirt; and finally, the long nights away from home that always coincided with gruesome deaths. Roscoe Lee Marcks killed fourteen people before he was finally put behind bars. But as renowned FBI agent Karen Vail soon learns, Marcks’s reign of terror isn’t over yet. After writing a book about growing up as the child of a serial killer, Jasmine receives a letter—a single sheet of paper mailed from the maximum-security prison Marcks now calls home. The page hides a threatening message from a father who wants vengeance against the daughter who turned him in to the police. So when Marcks breaks out of prison, Agent Vail calls on a legendary retired profiler to help her find the escaped convict—and keep him from making Jasmine his fifteenth victim. Alan Jacobson created Karen Vail—one of the most compelling heroes in suspense fiction, earning acclaim from James Patterson, Nelson DeMille, and Michael Connelly—after seven years of working with two senior profilers at the Federal Bureau of Investigation’s legendary Behavioral Analysis Unit. Over the years, Vail has tangled with the worst serial killers America has to offer. But none compares to Roscoe Lee Marcks.

**A surgeon charged with double homicide is out to clear his name in this debut thriller from the USA Today–bestselling author of the Karen Veil series.** Dr. Phillip Madison has everything: wealth, power, and an impeccable reputation. But in the pre-dawn hours of a quiet California suburb, the revered orthopedic surgeon is charged with double homicide—a cold-blooded hit-and-run that has left an innocent young couple dead. Blood evidence has brought the police to his door. An eyewitness has placed him at the crime scene. . . . and Madison has no alibi. With his family torn apart, his career forever damaged, no way to prove his innocence, and facing life in prison, Madison hires an investigator to find the person who has engineered the case against him. As his privileged world is brought crashing down by a psychotic seductress, as family and friends abandon him, Madison’s only hope for vindication rests in revealing a truth at the heart of a lie. It is a disclosure that could cost him more than he ever imagined. *False Accusations* is a psychological thriller that instantly became a national bestseller and launched Alan Jacobson’s career, a novel that spurred CNN to call him “one of the brightest stars in the publishing industry.”

**From a USA Today–bestselling author: FBI profiler Karen Vail’s hunt for a serial killer leads her into a dangerous criminal web—“releless as a bullet” (Michael Connelly).** After a colleague connects Vail with covert Department of Defense operative Hector DeSantos, who has a knack for uncovering difficult-to-locate information, the pair tries loose long-buried secrets and deceptions that reveal a much-larger criminal enterprise at work. As Vail squares off against foes more dangerous than any she has yet encountered, shocking personal and professional truths emerge—truths that may be more than she can handle. In keeping with Alan Jacobson’s page-turning style, *Velocity* is a high-octane thriller, a memorable work rich in believable characters and an intricately plotted story that’s well-researched and ripped from today’s headlines. *Velocity* was named one of the *Strand Magazine*’s top ten books for 2010, *Suspense Magazine*’s top five thrillers of 2010, *Library Journal*’s top five thrillers of the year, and the *Los Angeles Times*’ top picks of the year. *Velocity* is the second installment of a two-part story that begins with *Crush*, book two of the Karen Vail Series.

**Introducing FBI profiler Karen Vail, who crosses paths with a Virginia serial killer in the first in the bestselling series.** Special Agent Karen Vail “is a knockout, tough and brilliant” (Tess Gerritsen). As lead profiler for the FBI, Vail is spearheading the task force investigation into a serial killer known as “Dead Eyes,” who’s been terrorizing Fairfax County, Virginia. What separates this psychopath from the others is a peculiar savagery, and an intimate knowledge of the FBI’s detailed strategy of pursuit. What separates Vail from her peers is a life that has made her hard and uncompromising. Recently divorced from an abusive husband, and in the throes of an ugly custody battle, she’s also helpless against her mother’s struggle with Alzheimer’s. But little by little, as Vail’s personal baggage begins to consume her, the investigation threatens to derail. Now she’s weighing her last hope on a controversial profile. It suggests that the one key to solving the case lies with the seventh victim. But that key will also unlock secrets that could destroy Vail’s career, and expose a truth that even she might not be strong enough to survive. In compiling his research for *The 7th Victim*, Alan Jacobson was allowed wide-ranging access to the FBI’s behavioral profiling unit over several years. Named one of the top five books of the year by *Library Journal*, it’s “a quantum leap in terror and suspense. . . . A masterpiece” (*New York Times*–bestselling author James Rollins).

**In this “brilliant” thriller from the USA Today–bestselling author, ancient biblical documents are at the center of a devastating terrorist threat (Jeffery Deaver).** In 930 CE, a revered group of scholars pens the first sanctioned Bible, planting the seed from which other major religions will grow. But in 1953, half the manuscript goes missing while being transported from Syria. Around the same time, in the foothills of the Dead Sea, an ancient scroll is discovered—and promptly stolen. Six decades later, both parchments stand at the heart of a geopolitical battle between foreign governments and radical extremists, threatening the lives of millions. With the American homeland under siege, the president turns to a team of uniquely trained covert operatives including FBI profiler Karen Vail, Special Forces veteran Hector DeSantos, and FBI terrorism expert Aaron Uziel. Their mission: Find the stolen documents and capture—or kill—those responsible for unleashing a coordinated and unprecedented terrorist attack on US soil. Set in DC, New York, Paris, England, and Israel, *The Lost Codex* has been hailed by Douglas Preston as “a masterpiece of international suspense” and “an outstanding novel.”
