This is the most up-to-date, comprehensive, and thorough defense of the Catholic Church against Protestant objections in print. This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest. The Case for Catholicism answers arguments put forward by early

Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R.C. Sproul. It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history. Finally, in both answering Protestant objections to Catholicism and in providing evidence for the Faith, *The Case for Catholicism* cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology. This book is divided into four sections, with each answering a key question Christians have asked about the nature of their faith. Those key questions are: What is my authority? What

is the Church? How am I saved? Who belongs to the body of Christ? The Case for Catholicism will become a reliable, resource for any Catholic who desires a well-researched, readable, and persuasive answer to Protestant arguments made against the Catholic faith.

YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House

in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today ' s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible,

and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “ Is the Bible only about Israel? ” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

Over the past two millennia, scholars have been debating over what was meant by the expression "the Son of Man," which was used so frequently by the itinerant Rabbi from Nazareth known as Jesus. The expression occurs 81 times in the Gospels, 77 of which come from Jesus (with two additional ones in indirect speech). Despite being used so frequently by Jesus, an explicit explanation is never given in the Gospels (or in any book of the New Testament) as to what Jesus meant by the designation of "the Son of Man."

Nevertheless, if Jesus did use the term himself as a self-designation, examining it would perhaps allow one to gain more insight into Jesus' self-understanding.
