Fighting Cybercrime at the Local Level November 3, 2017 • by David Griffith There are three main reasons a victim may not report a cybercrime: the amount of money involved is too small to worry about; they don't believe anything can be done about it, and/or they don't know where they can report such crimes

Fighting Cybercrime at the Local Level - Technology ...

Two very different characters are obliged to work together to solve a crime. The premise is very often, but not always, expressed in trailers and pitches as "One's an X. One's a Y. Together, they fight crime!" So much that it's become a Stock Phrase.Expect lots of cultural clash humor arising both from different policing traditions and from general personal differences between the two characters.

They Fight Crime! - TV Tropes

Pittsburgh's New Approach to Gun Crime. Sergeant Jim Glick, head of the GVI unit in Pittsburgh, says the police response to gun crime was very different before adopting focused deterrence. "One incident would bring a flood of officers in flashing cars as well as traffic safety, narcotics, and other units into the neighborhood.
