### The Best Ham Radio Logbook ever

The 1952 "Radio Amateur Call Book Magazine" is slightly more difficult. It can be searchedusing Google Books, even though the full text is not available. The scans are imperfect, but if you have a name of someone you believe was licensed in 1952, it is usuallypossible to find the person's call sign. It's not convenient, and it doesn't always work.

### How to Find Old Amateur Radio Call Signs - WOIS

Ham Radio was an amateur radio magazine founded in 1968 and the first issue appeared in February of that year. In1990 it was announced that Ham Radio had been sold to the publishers of CQ Amateur Radio.The June 1990 issue of Ham Radio was the 268th and final issue published where subscribers were told of the sale and that they would receive CQ in the future.
