{Prowler} - RVUSA.com

How do I light the hot water heater. It's a 1999 Prowler with a switch inside the trailer. We tried the switch and read the manual, but the pictures don't tell much. and, yes, I do have propane, the gas stove works.

How do I light the hot water heater. It's a 1999 Prowler ...

Prowler Water Heater HELP needed Do you mean that water comes from the hot water tap, but it is cold? It would also be helpful if we knew what make of water heater you have. Some do not have a pilot, but use direct electric ignition, but it would appear that you do have the older type with a pilot.

In theory, tankless hot water heaters can provide a continuous flow of hot water for showering, cleaning and whatever else until it loses power or its supply of propane. This is one of the major advantages over a traditional tank style of water heater that needs to be preheated before use and is usually reduced to providing just warm water ...
