Book Reviews : Christine Gledhill and Gillian Swanson (eds ...

U.S. culture is particularly restrictive in its attitudes about sex when it comes to women and sexuality. It is widely believed that men are more sexual than are women. In fact, there is a popular notion that men think about sex every seven seconds.

Sex and Sexuality

Sexual orientation is considered separate from one's biological sex and gender identity. You could be a feminine (gender) male (sex) who is attracted to women (heterosexual) or a masculine woman attracted to women. The causes of sexual orientation have yet to be firmly discovered through scientific research.

Human Differences: Culture, Gender, and Sexuality

Sexuality is something that in western culture, is a confusing and scandalous topic. In one way sex and sexuality is everywhere, in advertisements, magazines, television shows, movies, all types of media, however it is also something we are not supposed to talk about, especially women. Here are a couple of examples of ads which exemplify...

Sexuality in different cultures

Sexuality - Refers to a person's exploration of sexual behaviors, practices and identities in the social world. Stealth - This term refers to when a person chooses to be secretive in the public sphere about their gender history, either after transitioning or while successful passing.

Gender & Sexuality Terminology

Femininity and masculinity are acquired social identities: as individuals become socialized they develop a gender identity, an understanding of what it means to be a "man" or a "woman" (Laurie et al. 1999). How individuals develop an understanding of their gender identity, including whether or not they fit into these prescribed gender roles, depends upon the context within ...

Femininity and Masculinity

To be sure, women are also held to restrictive standards of femininity, but men are penalized more than women for violating gender expectations. According to "Breaking the Culture" symposium speaker Dr. Jackson Katz, these dominant characteristics of masculinity go hand and hand with violence, sexual aggression and sexual assault.

Men, masculinity and the persistent nature of gender ...

Gender conceived of as masculinity and femininity is superimposed upon the 'coat-rack' of sex as each society imposes on sexed bodies their cultural conceptions of how males and females should behave. This socially constructs gender differences - or the amount of femininity/masculinity of a person - upon our sexed bodies.

Feminist Perspectives on Sex and Gender

"Femininity stands for a society in which social gender roles overlap: Both men and women are supposed to be modest, tender, and concerned with the quality of life." From Hofstede (2001), Culture's Consequences, 2nd ed. p 297. Review Hofstede's country ranking for Masculinity / Femininity. Traits of Masculinity / Femininity
