Sovereignty after Empire: Comparing the Middle East and

...

Within the "Empire and Domestic Sovereignty" section, Louise Fawcett explores how an imperial past affects sovereignty outcomes, perceptions and choices. Although sovereignty failures in the Middle East cannot merely be attributed to Western agency, European imperialism's promotion of dominant national groups and its interests in natural resources offered fragile foundations for state-building.

Sovereignty After Empire Comparing The Middle East And

...

This chapter explores the different, often contradictory, meanings of empire and sovereignty in the history of the modern Middle East and considers how they have interacted, positively and negatively, with the development of states and institutions. It argues that the experience of Western imperialism and state-building interacted, often negatively, with pre-existing notions of sovereignty ...
