violent combatants into political actors in transitions from civil wars—the ZANU/ZAPU movement in Zimbabwe and the FMLN in El Salvador. Three factors—a) the nature and extent of international influence on the rebels, b) the rebels' level of popular support and c) the type of electoral system are hypothesized to impact rebels' decisions.

Transformation of Rebel Movements into Political Parties ...

A political movement is a collective attempt by a group of people to change government policy or society with mainly political goals. Political movements are usually in opposition to an element of the status quo and are often associated with a certain ideology. Some theories of political movements are the political opportunity theory which states that political movements stem from mere ...

Political movement - Wikipedia

This book explores the factors that influence violent rebellious political organisations to transform into other entities, such as political parties, criminal organisations and terrorist organisations. by rebel movements which appeal to the same clientele. Formerly violent actors, the warlords and rebel movements may turn their organisations into political parties and compete in future elections, when they are often more successful than their peaceful competitors at the polls.1 In the end, political parties become marginalised. Violence pays; democ

Rebels and parties: the impact of armed insurgency on ...

History is littered with rebels and because there are so many examples, I've specifically chosen rebels with a low social standing. People with low social origins have more reason to become rebels than members of the upper class, but the rebels that originate from the upper class have a better chance at becoming leaders. That's why certain famous people are missing from this list ...
