Tudor Church Reform: The Henrician Canons of 1535 and the `Reformatio Legum Ecclesiasticarum'. The English Reformation began as a dispute over questions of canon law, and reforming the existing system was one of the state's earliest objectives. A draft proposal for this, known as the Henrician canons, has survived, revealing the state of English canon law at the time of the break with Rome, and providing a basis for Cranmer's subsequent, and much better known, attempt to revise the canon law

### Tudor Church Reform - Boydell and Brewer

The reign of Henry VIII represented a transitional phase in the religious history of England. Despite a brief flirtation with Protestantism in the 1530s, the regime never adopted a full-throated Reformation, and by the end of the reign English Christians were still required to accept nearly all the doctrines and customs that had prevailed in 1509. On the other hand, the break with Rome, the effective rejection of the doctrine of Purgatory, and the severe pruning of the cult of the saints ...
